### DESCRIPTION OF SERVICES

## Skin Care

Utilizing the theories of elemental nature, our customized treatments restore balance to mind, body and skin. Experience Aveda's plant and flower essences to deeply cleanse, detoxify and revitalize the skin. Each treatment focuses on nurturing, high-touch approaches and unique sensory experiences.

## Facials

### Aromatherapy (60 Min)

Cleansing treatment using essential oils to help restore the look and feel of healthy skin. Combat the stress of everyday living—walk away looking and feeling relaxed and rejuvenated. Light massage of shoulders, décollete, hands and arms included.

### Radiance (60 Min)

A natural approach to microderm abrasion, customized for all natures. Features Tourmaline, a naturally energizing mineral, along with a nourishing cocktail of vitamins and antioxidants layered on the skin. This rejuvenating facial encourages the skin's own natural process through refining products and high-touch treatment approach, leaving skin visibly improved and radiant.

### Sensitive Skin (60 Min)

For skin that tends to react easily. Only products with the most gentle ingredients are used to cleanse, balance and hydrate skin without causing aggravation. Great for people sensitive to aromas and fragrances.

### Pure Focus (30 Min)

Excellent introduction to our unique flower and plant based products and treatments, focusing on corrective techniques. Choose skin exfoliation or masque treatment. Neck, hand and arm massage is also included. Great for teens with problem skin.

### Ultimate Renewal (90 Min)

Full Aveda Aromatherapy facial, hand massage, scalp treatment and Synergie light therapy, this experience is designed for total relaxation and skin rejuvenation. It will leave your skin looking refreshed and alive.

### Gentleman's Facial (60 Min)

Deep cleansing and softening facial just for men. A calming, soothing treatment that will relieve shaving irritation or skin aggravated by exposure to harsh environmental elements. Tension is soothed with facial, shoulder, and hand massage.

### Cleansing Back Treatment (45 Min)

Designed to bring purity and balance to the skin on the back, this focuses on cleansing, exfoliation, back massage, and mask therapy. Perfect if you're having skin challenges on your back, seasonal skin changes or a special occasion.

### Revitalizing Eye Treatment (20 Min)

This treatment helps diminish the look of fine lines, puffiness and dark circles in the delicate eye area utilizing pressure point therapy, eye compresses and a chilled hydrating mask.

*(Can also be an add-on)*

### Synergie Light Therapy (15 Min)

This process has been shown through years of research to improve cellular metabolism and enhance collagen production resulting in the appearance of smoother and softer skin.

Benefits: enhances local circulation, reduces puffiness, soothes and brightens complexion, reduces appearance of fine lines and wrinkles, rejuvenates skin texture and tone, diminishes appearance of spider veins.

*(6 treatments recommended for optimum results - schedule a treatment every 2 months to maintain effects)*

## Manicures · Pedicures

### Spa Manicure

Truly relaxing experience: includes thorough manicure, exfoliation of the hands, massage, and paraffin dip. It will leave your cuticles and hands soft, smooth, and conditioned.

### Spa Pedicure

The ultimate pedicure service cleanses, renews and restores the spirit and mind as well as the feet. Includes soothing mineral foot bath, shaping and buffing of the nails, cuticle care and callous exfoliation, followed with a mask of warm towels and relaxing foot massage.

### Paraffin Therapy

A heated treatment with deep conditioning emollients. Helps aching joints and arthritis.

## Massage

### Swedish (60 Min)

Soothes and relaxes tired muscles; enhances circulation, inducing a feeling of well-being and relaxation, combining health-enhancing benefits of essential oils and massage.

### Deep Tissue Therapeutic (60 Min)

For physically active individuals with chronic pain, muscle fatigue as well as limited range of motion. Our therapists use a variety of techniques to alleviate discomfort/ tightness.

### Shiatsu (90 Min)

Non-invasive technique that deals with energy flow within the body. Eastern technique developed in China. Comfortable clothes should be worn by the client because the massage therapist does stretching along with the energy. Client always fully clothed.
